

QUALIPAC & POLYREPRO join forces to accompany you in your tailor-made creations in 3D print.

Integrate new dimensions, sculpt material with precision. Play on the effects of contrast thanks to the different finishes. Design differently, our collection is here to inspire you. You are free to imagine what we can design together.

### Technical information

MATERIAL	Polyamide
WEIGHT	3,9 g
HEIGHT	27 mm
LENGTH	39,8 mm
WIDTH	39,8 mm
